

DANIEL TURCU

Computer Engineering Student | AI & Automation Enthusiast

Sibiu, Romania • 0753 317 434 • [linkedin.com/in/daniel-turcu](https://www.linkedin.com/in/daniel-turcu) • Open to internship opportunities

EDUCATION

Lucian Blaga University of Sibiu

Bachelor of Engineering in Computer Science

Oct 2024 – Jul 2028

Energetic Technical College, Sibiu

High School Diploma – Electrical Engineering

Sep 2020 – Jun 2024

- 3rd Place – County Olympiad in Information Technology (Apr 2024)
- 3rd Place – Intercounty Robotics Competition “Infoliceanul” (May 2023)

EXPERIENCE

Mathematics Tutor – Freelance

Private Tutoring | Sibiu, Romania (Hybrid)

Sep 2023 – Mar 2025

- Delivered personalized one-on-one mathematics lessons, adapting content to each student's curriculum and learning pace.
- Created custom problem sets and study materials to reinforce analytical thinking and exam readiness.

PROJECTS

My personal web app

HTML, CSS, JS, PHP, SQL

Iun 2026 – Present 2026

- I am building my personal app where I will put my personal information about my activity
- GitHub project link: <https://github.com/TDDDDaniel/Personal-WEB-CV>

3d Project - OpenGL

C++, OpenGL

Mai 2026 – Mai 2026

- Built a project in OpenGL. The project is a lamp designed 3d.
- GitHub project link: https://github.com/TDDDDaniel/Proiect_OpenGL/tree/master

Nine Men's Morris – Board Game

C++, Object-Oriented Programming

Dec 2025 – Jan 2026

- Developed a classic board game using OOP principles for modular architecture and code reusability.
- Source code available on GitHub: <https://github.com/TDDDDaniel/Joc-Moara-in-C->

Smart Recycle Bin

C++, C#, XAML, SQL, Web Development, Electronics

2025

- Engineered a smart waste-sorting system combining hardware sensors with software for automated recycling classification.
- GitHub link: <https://github.com/marios8995/hackathon-proiect>

TECHNICAL SKILLS

Languages:

Java, C++, C#, SQL, JavaScript, HTML, CSS, XAML, PHP, SQL

Tools & Frameworks:

JavaFX, Figma, Git, OpenGL

Concepts:

OOP, Data Structures & Algorithms, Web Development, Electronics

Mathematics:

Mathematical Analysis, Applied Mathematics

LANGUAGES

Romanian – Native Proficiency

English – Professional Working Proficiency

ACHIEVEMENTS & ACTIVITIES

- Participated in the Open Your Mind Hackathon organized by Sibiu IT Cluster (2025).
- Earned 7 honors and awards across information technology and robotics competitions.
